

### RATION DISTRIBUTION DRIVE

The CIs are serving the humanity on self-resources basis to mitigate the impact of the lock-down to curb the deadly COVID-19 spread which in turn makes the poor people lives with no job work and livelihood. In this situation, to protect the poor, the CIs have taken an initiative of free distribution of ration bags.

### **PUBLIC AWARENESS**

In this pandemic situation, Community institutions are responding timely and conducting different behavioral change sessions and communication through different channel.

CIs are ensuring that the current outbreak of COVID-2019 is responded timely and efficiently to prevent its further spread through their small efforts at community level.

During this week,

## FACILITATION & COORDINATION

In the COVID-19 Emergency response, SRSO management has actively participated in 11 district Coordination meetings by this week and also attended as a member of District COVID-19 task force. In pertinent to this, DMs, Unit incharges and LSO Office bearers attended the meetings at district and tehsil Level.

# VOLUNTEER SERVICES BY CIS REPRESENTATIVES

Community Institutions assistance was sought by District Administration at ESHAAS Cash Payment Centers to keep social distancing, following the SoPs of payment and a transparent way of payment can be processed at centers. Because the payment process has been started to support the deserving families affected by strictly following the precautionary measures. "CIs will ensure Corona preventive measures through **EHSAAS Emergency Cash payments,** including hand-washing, cleaning and maintaining social distance".

District administration is taking sufficient measures to ensure

### BEHAVIORAL CHANGE SESSIONS

# HAND HYGIENE SESSIONS

The Cis are mainly involved in changing the behaviour of community to do frequent times hand washing because hand hygiene is extremely important to prevent the spread of the COVID19 virus. Although awareness of the importance of hand hygiene in preventing infection with the COVID-19 virus is high, access to hand hygiene wash your hands for twenty seconds with soap. Hand hygiene is the most effective single measure to reduce the spread of infections. Cis are conducting demo sessions and distributing the soaps to continue this

practice at household level

### SOCIAL DISTANCING SESSIONS

CIs are conducting trickle down sessions on social distancing because it includes ways to stop or slow the spread of infectious diseases. It means less contact between you and other people. Social distancing is important because COVID-19 is most likely to spread from person-toperson through: direct close contact with a person while they are infectious or in the 24 hours before their symptoms appeared close contact with a person with a confirmed infection who coughs or sneezes, or touching objects or surfaces (such as door handles or tables). So, the more space between you and others, the harder it is for the virus to spread.

### SOAP AWARENESS

The CIs in close coordination and assistance of Business development Groups are preparing the Face mask and distributing the Soaps to the community for changing their behavior to change their routine to fight against COVID-19 because prevention is only cure of this pandemic virus. Cis are conducting demo sessions and

Cis are conducting demo sessions and distributing the soaps to continue this practice at household level
