COVID-19 RESPONSE UNDER PSI-RSPN-DAFPAK PROJECT

1,080 CRPs trained, 155 awareness sessions with VHCs, 205 in camps conducted, 25 public announcements made, 6,854 client screened, 4,500 surgical masks, and 1,080 sanitizers distributed successfully in three districts.

Sindh Rural Support Organization (SRSO) with their development partner Rural Support Program Network (RSPN) under the Project "Delivering Accelerated Family Planning in Pakistan (DAFPAK)" supported by Population Services International (PSI) has started the different initiatives to combat with COVID-19 pandemic. This purpose, CRPs training, awareness raising sessions with village health committees, public announcements, client screening and PPEs distribution have been started in three project districts i.e. Shikarpur, Jacobabad, and Kamber-Shahdadkot. CRPs are playing an effective role in mobilizing the rural communities, therefore 1,080 (360 from each district) have been trained through one-day training which was designed with the objective to sensitize and orientate as 'change agents' for prevention, control, and mitigation of the risks associated with the transmission of the COVID-19. During the training, CRPs were equipped with facemasks, hand-gloves, soaps, and IEC material for conducting sessions in the rural communities.
