## RELIEF WORK ACTIVITIES

This year's monsoon spell has wreaked havoc across Pakistan but 23 districts of Sindh that have been announced as a calamity affected areas impacted more than others. These districts of Sindh: Ghotki, Sukkur, Khairpur, Sanghar, Mirpurkhas, Umerkot, Badin, Thatta, Kamber-Shahdadkot, Larkana, Jacobabad, Shikarpur, Shaheed Benazirabad, Noushero-Feroze, and Kashmore@kandhkot have suffered a lot due to heavy rain and floods that have inundated several villages and claimed approximately 232 lives and damaged over 213,051 homes, according to SRSO MER Section IRA Survey. The full extent of the devastation is still unknown.

Countless families, women, and children are left with nothing but hope and are in desperate need of cooked food, dry ration packs, tents, and medical aid.

In pursuance of this immediate need, the emergency response teams of Sindh Rural Support Organization have continued assisting the community in rescue and relief efforts in the flood-affected areas of Sindh. The relief operation is carried out in a systematic way through proper assessment of HHs, Proper distribution places by recognizing the respect and dignity of HHs.

SRSO along with the Community Institutions network has also evacuated hundreds of locals trapped in floods in different areas to safe places and provided ration bags, installation of pit latrines at flood relief camps, registration of beneficiaries for the flood relief cash program launched by the Federal Government of Pakistan, Awareness community session for health and hygiene, drinking water supply through different sources and initiated livestock vaccination to the community and coordinated with different organizations for immediate assistance in flood relief medical camps, etc, SRSO has also launched a fundraising campaign for immediate assistance and approached different donors for this challenging time assistance.

# RELIEF COORDINATION MEETINGS

District Manager SRSO accompanied by District Coordinator GFATM Malaria Program conducted a meeting with Dr. Syed Athar Hussain Shah Sb DHO Larkana, Dr. Farhan Ahmed Jokhio Sb Assistant District Health Officer Curative, Dr. Muhammad Ali Bhutto Sb Assistant District Health Officer Admin.

The purpose of this meeting was to discuss the health-related activities during the continuous rainfall caused by HAVOC for the community and to support voluntarily at fixed/mobile medical camps which are being arranged by the District Health Office for Internally Displaced Persons (IDPs).

It was decided that the health-related issues (especially Malaria hotspots) are being identified during the rain emergency and took decisions to fulfill the community needs by arranging MMS and Mobile Medical Camps to facilitate the community during or post rain difficulties faced by the IDPs and to provide relief to the rain-affected communities. SRSO will support the screening of the malaria suspects along with mobile medical camps which are being arranged by the District Health Office in Larkana.

District Manager Sanghar meet with Dr. Essar Das Deputy Director of livestock Sanghar regarding livestock vaccination n treatment

He is willing provide technical staff, medicine just needed support for vehicles, even he said we have a 4x4 vehicle but due to budget challenges' he requested fuel Assistant  
Currently, his team already working in the area.

We finalized that he will provide technical staff for vaccination event treatment we will provide a 4x4 vehicle to cover the desert area where Currently has huge number of livestock
