Immediate Assistance Required for Impoverishing Marginalized Communities in Floods Ravaged Rural Sindh

- NFI Item-Tents/Mosquito Nets
- Food Items- Ration
- Free Medical Camps
- Water Purification kits
- Animal Vaccination & Medical Treatment

From the July 2022 monsoon season, Sindh has faced three spells of moderate to heavy rains. These heavy rains affected several districts of Sindh especially: Thatta, Badin, Khairpur, Mirpurkhas, Umerkot, Sukkur, and Ghotki.

Rain-wind/thundershower (with isolated heavy falls) occurred in Sindh and heavy rains continued to cause great damage in several districts of Sindh. as where huge rainfall occurred and damaged the Houses, livestock, and water standing in their areas.

Monsoon rains are likely to continue during the week from 6th-10th August 2022.

## Relief Activities'

### Ration/Food Bags

The marginalized and affected community due to heavy rain have nothing to feed and food insecurity increased, so SRSO initiated the relief work by distributing the ration bags among affected community specially for Local Protection Bandh and Dam Breaches affected community.

### Stitched Suits

The affected community has also lost their possessions, Food insecurity has increased and have lost their foods for children and women. So, under PPRP Program's intervention of Vocational Training Program they have already stitched, so they distributed the clothes also.

#### • Relief Work

In connection with the relief work, the SRSO Khairpur, CEO directed the field team to start relief work in terms of Ration bags and stitched clothes distribution at Kotdiji where protection Bandh and Local Dam breaches devastations occur.

The stitched clothes were distributed in Union Councils: UC Faqir Jalalani Taluka KotDiji

In Khairpur at affected locations, DM distributed 200 Stitched clothes to the poorest rain-affected households.
