EMERGENCY RESPONSE

August, 2022

SRSO stands with rain and flood affected communities of rural Sindh in this difficult time as the incessant rains wreak havoc in the province. SRSO has led the response to the floods, deploying rescue and relief operation and started ration distribution in affected areas of rural Sindh. Teams are approaching affected families in 15 districts, Utilizing all available resources at its disposal to cope with the effects of this disaster but the enormous scale of this disaster requires help from national and international community.

Key Emergency Response

1. Ration/Food
2. WASH
3. livestock vaccination
4. Non-Food Items
5. Flood Damages' Assessment

SRSO is mobilizing its limited resources and staff to scale up its assistance in Pakistan to support local communities and refugees in areas devastated by the catastrophic floods. Affected people told SRSO staff about their traumatic and scarring experiences as rain and flood waters swept away their possessions in minutes. Those who could rush to safety on the higher ground without being able to rescue belongings.

SRSO is continuing to support the community, PLW women, children, senior citizens, and the community affected by flooding. During the past four weeks, SRSO districts teams have initiated rescue and relief operations in this challenging time where there is no road infrastructure, everywhere there is water and teams are working on boats, local vehicles (donkey carts, etc) by traveling across flood impacted areas to attend critical people rescues and assist local community for survival. SRSO's limited relief assistance is a sign of solidarity with the organized community and its people living in these areas.

Shelter, clean drinking water, and food are among the most urgently needed items in the aftermath of the floods.

DIRECTOR OF OPERATIONS ACF HEAD OFFICE FRANCE AND COUNTRY DIRECTOR ACF PAKISTAN VISITED SRSO THATTA/AUGUST 16, 2022

ACF mission lead by Ms. Charlotte-Director of Operations (ACF Head Office France) and Ms. Jennifer Ankrom Khan (Country Director ACF Pakistan) along with Dr. Rano Mal (Provincial Head ACF) visited in Thatta under the project "Strengthening Resilience of Populations vulnerable to recurrent disasters and Emergencies in Sindh". SRSO is implementing this project in district Thatta with the financial support of European Civil Protection and Humanitarian Aid Operations, (ECHO) and Action Against Hunger. The mission interacted with community leaders of LSO Keenjhar in UC Sonda. LSO coordinator briefed the mission on the current torrential rains and Monsoon flooding that have adversely affected the living conditions of both individuals and community, in affected areas leading to the spread of diseases. This includes loss of human life, damage to 200 houses, destruction of crops and loss of livestock. It was reported that the Community emergency response team played its role in saving the lives of the community on self-help basis. Coordinated with all District Stakeholders like District Disaster Management Authority, district administration Education, Health, Irrigation, and Forest Departments to extend every possible relief and support in their hour of need. Community provided first aid to 15 injured individuals and also rescued 3 people from drowning in rain water and took action to provide CPR. The mission witnessed the damaged houses in the UC and met with affected families. Community was urged to plant more trees to mitigate the adverse effects of climate change. ACF representatives believed that the need for awareness about preventive measures and precautionary steps are of utmost importance.

Staff Orientation Workshop on SIAPEP Project Hyderabad/August17,2022

Sindh Rural Support Organization (SRSO) organized an orientation workshop for newly hired staff of the SIAPEP Project @ Hyderabad. Total 31 Participants from the targeted project 15 Districts (two team members from each district) Project Coordinator-SRSO and RGM-SRSO attended the workshop. Dr. Ghulam Rasool Samejo (RGM-SRSO) and Mr. Ali Asghar Matilo (Manager-NRM-SRSO) welcomed and briefed on SRSO and the project. Meanwhile from SIAPEP Ms. Sana Khanzada Gender & Communication Specialist and Agriculture Specialist Mr. Manzoor Ali Samoo participated and briefed about the project in detail. SRSO under SIAPEP will provide 3100 tool kits along with two season Vegetable Seed and Macro+ Micro fertilizer in the Targeted 15 districts of Sindh.

MoU signing between SRSO and IBA-Karachi August03, 2022

MoU signing ceremony between Institute of Business Administration Karachi and Sindh Rural Support Organization held at IBA Karachi. The IBA Karachi through IBA Center for Entrepreneurial Development (CED) will support SRSO in carrying out consultancies, case studies, and research projects in terms of Training and Certification Courses. SRSO will be engaging IBA- CED for capacity Development programs for their field staff and beneficiaries. SRSO will also provide the educational facility for research, internships, and final year projects to the student of IBA Karachi.

4 Months ago the Fire incident happened in the village of Pir Bux Jarwar, Union Council Chottori Taluka Sindhiri District Mirpurkhas, where 14 houses of the Meghwar community were fully burned. The Sindh Rural Support Organization - District Mirpurkhas team inspected and physically verified the conditions of the affected families and ration bags and ladies' dresses were also distributed among the affected families on 24 May 2022.

4SRSO decided for supporting these fire-affected families to improve their livelihood on sustainable basis through providing goats. For this purpose, SRSO team along with community members purchased 28 Goats of Rs. 499,000 amount from Livestock market (Mall Parree) Jhudo & distributed them among 14 fire-affected families.

Goat Purchasing & Distribution among fire incident-affected families Mirpurkhas/September03, 2022

SRSO continues distribution of H2O wheels in remote communities of desert areas of Sindh. On September03, 2022, 164 wheels were distributed among the selected beneficiaries of the two villages in district Shanghai. These wheels have been donated by Tayaba International for improving access, quality, caring and storage of drinking water in most far-flung areas of desert in Umerkot and Sanghar districts.
