Project Completion Report

146 Houses funded ENGRO Foundation
In District Kamber-Shahdadkot
Sindh Rural Support Organization (SRSO)

Executive Summary

The flash floods and torrential rains 2022 changed the overall scenario, civil Society also extended its support to flood affected people in rehabilitation while providing houses to them on priority basis.

The LCH aims to provide reliable and resilient structure as a minimum living solution to the flood affected households with dignity and pride of self-ownership. The active participation and ownership by women is an integral part of this component.

ENGRO Foundation agreed to fund LCH & signed partnership with SRSO to reconstruct 146 houses in the two villages of Kamber Shahdaskot. Each house comprises of one room house with verandah & allied facilities i.e kitchen & Toilet. The cost of a house would be Rs:327,091/- (Cost of House: Rs: 260,830 & cost of allied facilities Rs:66,261).

SRSO Engineering department provided technical assistance/ guidance to beneficiaries for the completion of resilient house. The procurement of materials done by beneficiaries with the support of CI & SRSO Engineer oversight the overall process

The work started in the month of January 2023 & was completed in April 30, 2023.

INTRODUCTION:

While the number of deaths & economic losses caused by flash floods and torrential rains 2022, housing is one of the most important components of post disaster construction. It plays a major role in people's vulnerability to disasters & in the mitigation stage, affecting not only the number of deaths & suffering population but also future quality of life of the survivors. The ENGRO Foundation with partnership of SRSO initiates the re construction of resilient houses for rain affected peoples in the district Kamber-Shahdadkot. This aims the reconstruction of houses fully damaged during the flash floods and torrential rains 2022 in Sind. The construction work undertaken through the involvement of local communities' institutions (CIs). ENGRO is giving support of Rs:327,091 to reconstruct resilient house along with allied facility. SRSO intimated to SPHF Govt. of Sindh, the support of 100 houses by ENGRO as per SRSO contract agreement with SPHF. LCH component includes the following package:

1. LCH (One Room House with Verandah)
2. Toilet
3. Kitchen

The construction of low-cost houses undertaken in two village under the clustering approach. Cumulatively 146 houses, with per unit cost of Rs. 327,091, total amounting to Rs. 47,755,286. (Rs. 47.75 million) constructed by engaging the local communities. These [146] houses were constructed at the same location where house-owners / households were living before floods 2022.

Other aspects such as customs, traditions, social and economic condition / level are also considered through the community validation and participation. The involvement of local communities [from identification to implementation and completion of houses] and built of house by beneficiary him/herself through their CIs was ensured. The completion of all [146] houses verified and endorsed by the SRSO's internal monitoring system.

Procedures:

This component is implemented through community participation engaging community Institutions Cos/VO's/LSO's. The CI's supervised the construction by beneficiary and the resilient reconstruction of houses completed in well in stipulated time. The local skilled and unskilled labor engaged by the beneficiary/communities during the construction process.

The component [funded by the ENGRO] contributed towards the cost of construction housing schemes to be initiated by beneficiary. The total cost of the house will be Rs.327, 091 /-.

Beneficiaries:

The identification /selection of beneficiary for LCH done through community institutions. The selection criteria for the beneficiaries of LCH followed as below:

Household whose house damaged /destroyed in rain flood 2022.

Having valid CNIC.

Household with their plot/land or plot of the Government may be acceptable.

Household willing to provide stamp paper signed by the landowner/Zameendar [if the beneficiary has not available a plot for the construction of house].

Household willing to construct low-cost house as per approved design and specification.

Survey:

The Survey of damaged houses conducted in collaboration & consultation with the community institution & SRSO Engineer/Social organizer. The survey was conducted using the clustering approach (maximum two settlements) where on average 70 houses surveyed per village. SRSO team undertake the initial surveys and feasibilities for the houses with the collaboration of CIs.

Terms of Partnership:

On the recommendation of Survey, SRSO District Manager approved the beneficiaries list & signed terms of partnership (TOP) in a meeting with CI, where responsibilities of CI/beneficiary and SRSO clearly be spelled out. Upon signing TOP/agreement, the physical work initiated immediately.
