Study Tour:-

SRSO-Social Services Sector Senior manager Naimatullah Shaikh with his head office and field Education team organized two days study tour for Head teachers & Subject Specialists of the Government Primary and Secondary schools adopted and managed by SRSO to the Fatima Jinnah Secondary Girls school located in Karachi from 18-11-15 to 20-11-15. The purpose of this tour is to widen the teachers' perspectives with the modern teaching techniques and technology all together.

The Fatima Jinnah Girls Secondary school is one of the best school that is being managed by Zindagi Trust led by the National Popular Singer and Philanthropist Shahzad Roy , it is being provided the students with diverse opportunities for intellectual, personal and professional growth, aiming at equipping the students with well-rounded ability to face the fast-changing world and nurturing them to become a global citizen.

Objectives

The objectives of this study tour

- To experience the other school's academic activities and administration management practices.
- To enable the teachers to develop extra knowledge and skills
- To promote the cultural exchange and mutual understanding among teachers.

The Landscape of the School was spellbound with huge trees and lush green grass. The environment was really pleasant and comfortable.

It was a great honor for SRSO Education team received warmly by the Zindghi Trust Project Coordinator with The School Principal. They made us a comprehensive talk to introduce their vision, mission, structure of curriculum and programs offered. The staff members were nice and professional too.

The designed School admission Policy falls and starts up an admission from 3 to 5 years children in K.G 1 and K.G 2 and onwards academic promotions on merit. The Teachers were well experienced & trained & applied pictorial methodology for teaching in the classroom that looked wonderful.

In addition, the School management used to provide additional food (Breakfast Time) to the mal nutrient children for 3 to 5 years. It was suggested by The professional nutritionist team of Agha Khan Hospital during their visit at the School.

Subsequently, the Participants visited the school's IT lab. The lab was well developed with Net facility. The school's science lab was well equipped with modern physics, chemistry & biology instruments and students were also busy in different science experiments. Then we moved towards the library. A large number of academic and other best books were available in the library. The school librarian well managed the library and maintained the all books' record.

It was observed that the extra curriculum activities were well organized and monitored by School management. Students are being engaged in different games in sport periods at the School ground. The Fatima Jinnah School management's musical band also presented hunzai dance performance that participants enjoyed a lot.

Participants also met with Croatian lady Ms. Reeta her companion Mr. Alex .Both are working with Children on voluntary Concept. SRSO-SS team also introduced their work and profile .Miss Reeta & Mr. Alex appreciated efforts of SRSO team and invited the SRSO team to visit Croatia country.

The participant enjoyed the trip. The participants viewed that the visit was very fruitful for them and they got a deeper understanding on the School management practices. Participants also had lunch with the school staff. During two days Study tour, The SS Team and teaching faculty not only acquired knowledge, but also had precious opportunities to have academic and cultural exchange through this visit.

It is a very valuable and inspirational experience for teachers to interact and discuss with them. With the study tour, all participants are not only consolidating existing knowledge but also expanding their horizons and abilities. As the tour participants commented, they really pleased to participate in the tour. The Teachers performed very well in organizing the 2-day tour and developing their interpersonal relationships with school staff. In particular they were impressed by their good and professional attitudes which have made significant contribution to enhance the image of Fatima secondary school.

We would like to express our sincere gratitude to the SRSO management and in particular SRSO CEO who always encourage us to strengthen the staff capacity and teaching faculty in toto. The Fatima Jinnah secondary school staff welcomed us with their wholehearted attitudes and presented their works and daily operation to us professionally. They also treated us like their good friends. We would like to take this opportunity to thank their generosity and hospitality once again here. Thank you very much.
