## A. Executive summary

The devastating flood in Sindh Province has badly affected human lives and properties. Torhi Bund breach inundated the vast area of Kashmore- Kandhkot, Shikarpur, Jacobabad and Qambar- Shahdadkot districts resulting in complete destruction of many towns and thousands of villages and settlements, standing crops, basic infrastructure and displacement of the millions. In the result of the catastrophic situation of the people of above districts and people from Ghotki, Sukkur, Khairpur and Naushehro Feroz are displaced.

The latest update of the flood situation is that there has been a breach in Begari canal and Qubo Saeed has been completely inundated and thousands of households are displaced currently.

During its rapid assessment SRSO has assessed the basic needs of these affected communities. SRSO started its relief work by providing these IDPs food and safe drinking water and coordinated with other aid agencies for support of flood affectees.

### SRSO Relief programme

SRSO has been operating an emergency relief programme since August 09, 2010 but there is still an acute shortage of food, shelter, sanitation, clean water and health and hygiene materials needed for hundreds of thousands affectees and the numbers are increasing as the flood water is flowing downwards, affecting many new areas of district Kamber-Shahdadkot.

During this period of relief operation SRSO has provided cooked and raw food to **54,632 and 19,041** households respectively, safe drinking water through tankers and installation of critical infrastructure (i.e. Hand pumps, pit latrines and shelters) at relief camps.

SRSO with support of PPHI has treated around **19,709** OPD patients through mobile camp services and also conducted health & hygiene sessions with the affected communities in the relief camps of Sukkur, Khairpur and Shikarpur districts. For live stock SRSO is working on vaccination and treatment arrangements and total service for livestock in de-worming, vaccination and treatment totaled **44,377** animals. Fodder for animal's distribution has been started and on its first day **6.32** M. tons are distributed that will be for around one thousand animals.

For safe drinking water and sanitation SRSO has installed so far **123** hand pumps and **347** latrines in district Khairpur, Kashmore-Kandhkot and Sukkur relief camps established by the District Governments in the above districts in collaboration with UNICEF.

SRSO is also distributing WFP raw food under “food for flood affectees’ programme” for **42,000** households in the **five districts** in accordance with WFP approved distribution plan.

SRSO in partnership with the PPAF and Engro foundation will provide relief material to **6,000** affected families of district Ghotki and the package for these affectees consists of raw food items, safe drinking water, sanitation, shelter sheets and the hygiene kits. This relief project also consists of fodder and vaccination material for **15,000** animals. This project material has been procured and the distribution will start very soon.

A project of UNICEF “WASH for flood affectees” has been started where CLTS, Hand Pumps, Hygiene kits will be provided and sessions of the affected communities will be conducted in order to aware those regarding health and hygiene issues.

SRSO is also working on the strategy of pooling resources with different national and international aid agencies in order to maximize the relief operation efficiency and is ready to provide in-kind support and facilitate the relief operation being carried out by other organizations working for the flood affected people in SRSO operational area.

The international agencies willing for collaboration include **Mercy Corps**, **GOAL**, and **International Organization for Migration** and other local organizations. SRSO is holding discussion regarding need assessment, areas of intervention, geographical locations, implementation plan, monitoring & reporting and audit matters for different relief projects.

## A. SRSO flood relief project progress

### WFP food for flood affectees

WFP food drive is targeting to supply 42,000 household with food for thirty days comprising wheat and cooking oil (50kg 4.5 kg respectively) per household. Flood affectees of the five districts residing in the duly registered camps either by the District or identified and referred by SRSO to the district government are being provided this relief material. The security responsibility of this distribution lies with the arrangements taken by the district governments. The distribution is being made according to the approved plan from World Food Program (WFP).
