## A. Executive summary

The flood in Sindh, which began in first week of August in the wake of particularly heavy monsoon rains have so far claimed many lives and destroyed homes, farmland and major infrastructure in large parts of the Sindh. Currently Flood in River Indus is flowing in an exceptionally high flood level with rising trend at Kotri Barrage while the flow in River Indus is gradually receding in Guddu.

The occurrence of breach at Torhi Bund inundated the vast area of Kashmore- Kandhkot, Shikarpur, Jacobabad and Qambar- Shahdadkot districts resulting in complete destruction of many towns and thousands of villages and settlements.

According to latest information the flood water, which started from Thori breach in Kashmore has now entered in the areas of Dsitrict Shahdadkot. Due to the present position of the water, the Qubo Saeed town has been inundated and Shahdad Kot town is completely evacuated as it happened in the case of Jacobabad and Ghari Khairo few days before.

SRSO has been assessing the situation of the flood and watching the movement of the IDPs on daily basis. Things are changing with rapid pace. Every single moment we have new state of affairs, which is affecting our response effectiveness. The Government is trying hard to fix the camps for the IDPs and provide them the basics. Due to its colossal scale, the whole relief work undertaken by the relief agencies appears small.

SRSO stepped in relief activities from August 09, 2010 starting from Kashmore, Ghotki, Shikarpur, Sukkur, Khairpur, and Noshero-feroz. Later on our teams went through helicopter organized by Relief Commissioner of Sindh and WFP to distribute food on the behalf of WFP in Jacobabad city. SRSO has been responding to the government calls, facilitating and coordinating with UN agencies and providing information to different humanitarian aid agencies through its emergency cell set up in Sukkur.

Since, the relief work has got the real momentum; there is still an acute shortage of food, shelter, sanitation, clean water and health and hygiene material. SRSO has started now focusing on mobilizing IDPs (90% of them are from organized Community and are members of Cos and VOs) to take care of hygiene and organize themselves to be a disciplined recipients of the relief goods. Besides, these sessions, provision of soaps, clothes, food, water and sanitation facilities have become its priority area of work. Also, the efforts are being put to generate more resources to fulfill the vast emerging need. WFP, UNICEF, PPAF, Engro Foundation, Relief Department Government of Sindh, USAID through RSPN, Jahangir Siddiqi (JS) Foundation, OMV and individuals such as Aniq Sultan, Adeel, and many more have been continuing supporting SRSO. Till today, SRSO has the confirmed commitment/receipt of Rs.100 million in cash grants excluding SRSO own resources and has received relief material amounting to Rs 120

million in the form of wheat flour, oil & sanitation material, etc. The total resources in cash in kind have reached to **Rs. 240** million (approximately) (since we do not know the exact cost of the goods received, therefore, an estimate had been presented). SRSO urgently needs more resources, which it is expecting to come.

## Daily Flood Relief Report August 23, 2010

---

AS of today, SRSO has provided cooked food to **126,020 individuals** and dry ration to **25,383 families (177,681 individuals)** respectively, besides safe drinking water through tankers and installation of critical infrastructure (i.e. Hand pumps, pit latrines and shelters) at relief camps.

SRSO has been providing vehicles to PPHI for its mobile medical camps and the PPHI medical team has treated around **118,474 OPD**. Though the actual number of PPHI treated patients is much higher because the PPHI is organizing many more medical camps in the IDPs camps all over the affected area. SRSO Social Sector Services unit teams are conducting health & hygiene sessions with the affected communities in the relief camps of Sukkur, Khairpur and Shikarpur districts.

The flood has severely affected livestock along with human beings; therefore, SRSO started supporting livestock from its own resources. It has started providing vaccination, treatment, deworming, and fodder. The total number of animals provided these services up to 22 August, 2010 are **61,515**. SRSO has planned to provide 400 MT of fodder to 10000 animals. As of today, **38.4 MT** has gone to **5,492** animals.

For safe drinking water and sanitation SRSO has installed so far **112** hand pumps and **478** latrines in district Khairpur, Kashmore-Kandhkot and Sukkur relief camps established by the District Governments in collaboration with UNICEF, PPAF/ENGRO and from its own resources.

SRSO has signed LFA with WFP for the distribution of 2432.142 MTs food items (wheat flour, oil, and High energy biscuits) under “food for flood affectees’ programme” to estimated **42,000** households in the **five districts** in accordance with WFP approved distribution plan. It has distributed **1,510** Mt and rest will be distributed in week’s time.

SRSO in partnership with the PPAF and Engro Foundation is providing relief material to **4,000** affected families of district Ghotki and the package for these affectees consists of Food items, safe drinking water, sanitation, shelter sheets and the hygiene kits. This relief project also consists of fodder and vaccination material for **15,000** animals. This project material has been procured and the distribution will start very soon. The procurement has been completed for 2,000 families and on its first day ration has been distributed to **400** households (2800 people).

A project of UNICEF “WASH for flood affectees” has been started where CLTS, Hand Pumps, Hygiene kits will be provided and sessions of the affected communities will be conducted in order to aware those regarding health and hygiene issues.

## B. SRSO flood relief project progress

**B. OTHER PROJECTS**

1. OMV Pakistan feeling the corporate social responsibility has joined the hands with SRSO to help out the flood affected people in khairpur and Sukkur and initially has allocated **Rs. 11 Million** for the relief work. OMV provide Food for two thousand families that covers around **14,000** people currently positioned in relief camps in Sukkur district. Considering the need of shelter the Company will also provide 60 tents (shelter) for **500** people. Further that the organization has established an employee contributed fund for

flood affectees which has reached to **Rs. 700,000** which will be spent on special feeding requirements of the children of the affected families.

2. Brookes Pakistan and SRSO in partnership agreed to distribute fodder for flood affected animals in Sukkur District.
3. SRSO in partnership with UNICEF is working on “**School in a box**” project. The objective of the project is to help re-established learning as the first step towards the restoration of normal schooling following an emergency. Currently an School has been established in Army Relief Camp Sukkur where 54 students has been registered and study material has been provided to them.
4. SRSO has started through its senior female staff “**the clean camp campaign**” and initially two camps (Government Comprehensive School & Govt. Degree college sukkur accommodating 546 IDPS ) have been brought into this programme where cleaning material will be provided by SRSO and hygiene sessions are being conducted to make the camp environment conducive and free of diseases. This campaign is aimed to be extended in the whole district. By this activity will enable to develop the linkages of the IDP with the government departments such as health and civic services.
5. SRSO is planning to distribute **5,000** female dresses from its own resources in the flood affectees on the eve of Eid ul fitr. The material for the same has been purchased and handed over for stitching to the female community workers which were trained in VTECs during vocational skills development package under Union Council Based Poverty Reduction Programme funded by government of Sindh in shikarpur and Kashmore Kandhkot districts. In addition to this 350 dresses have been distributed in district Khairpur and Sukkur relief camps.
6. SRSO insurance division has been working to facilitate the flood affectees in order to have access to the health insurance cover which was provided under Sehat Salammat scheme of Government of Sindh extended during UCBPRP and for the CO and VO members are being provided guidance and necessary identification documents. The overall insured families are 56,000 in district districts Shikarpur and Kashmore-Kandhkot.

7. We are thank full to Mr. Humayun who has extended his support and distributed 250 utensils kits for the flood affectees and shown interest in the further assistance.

### C. OTHER NEWS
