Daily Flood Relief Report August 25th, 2010

AS of August 25, 2010, SRSO has provided cooked food to **169,129 individuals** (funded by SRSO, Engro & GoS) and dry ration to **29,738 families (208,166 individuals)** funded by WFP and Engro respectively, besides this SRSO is working on safe drinking water through tankers and installation of critical infrastructure (i.e. Hand pumps, pit latrines and shelters) at relief camps.

SRSO has been operating with the support of PPHI “mobile medical camps” where the number of patients treated till date is 151,302 (OPD). PPHI has presence in almost all the relief camps established by the Government either in the government buildings or tent based camps with the qualified doctors and other support staff and sufficient stock of medicines. PPHI has declared its Head office as an emergency relief centre and ensured that all its BHUs and camps are serving round the clock. The total number of medical staff deputed is more than 800 including medical officers, nurses and LHVs etc. total number of patients treated from august 01 to august 15, 2010 has been 318,000.

SRSO Social Sector Services unit teams are conducting health & hygiene sessions with the affected communities in the relief camps of Sukkur, Khairpur and Shikarpur districts.

The flood has severely affected livestock along with human beings; therefore, SRSO started supporting livestock from its own resources. It has started providing vaccination, treatment, deworming, and fodder. The total number of animals provided these services up to 25 August, 2010 are **72,360**. SRSO has planned to provide **400 MT** of fodder to **10,000** animals. As of today, **38.4 MT** has gone to **5,492** animals.

For safe drinking water and sanitation SRSO has installed so far **128** hand pumps and **482** latrines in district Khairpur, Kashmore-Kandhkot and Sukkur relief camps established by the District Governments in collaboration with UNICEF, PPAF/ENGRO and from its own resources.

SRSO has signed LFA with WFP for the distribution of **2,432.142 MTs** food items (wheat flour, oil, and High energy biscuits) under “food for flood affectees’ programme” to **42,857** households in the **five districts** in accordance with WFP approved distribution plan. It has distributed ration in **28,838** households and rest will be distributed in week’s time.

SRSO in partnership with the PPAF and Engro Foundation is providing relief material to **4,000** affected families of district Ghotki and the package for these affectees consists of Food items, safe drinking water, sanitation, shelter sheets and the hygiene kits. This relief project also consists of fodder and vaccination material for **15,000** animals. The procurement has been completed for 2,000 families and ration has been distributed to **900** households (3500 people).

Daily Flood Relief Report August 25th, 2010

A project of UNICEF “WASH for flood affectees” has been started where Latrines, Hand Pumps and **1,800** Hygiene kits have been provided and sessions of the affected communities are being conducted in order to aware them regarding health and hygiene issues for Kashmore, Sukkur and Khairpur districts.

School in box UNICEF

SRSO in partnership with UNICEF is working on “**School in a box**” project. The objective of the project is to help re-established learning as the first step towards the restoration of normal schooling following an emergency. Currently one School has been established in Army Relief Camp Sukkur where 54 students have been registered and study material has been provided to them.

B. OTHER PROJECTS

1. OMV Pakistan feeling the corporate social responsibility has joined the hands with SRSO to help out the flood affected people in khairpur and Sukkur and initially has allocated **Rs. 11 Million** for the relief work. OMV will provide Food for two thousand families

that covers around **14,000** people currently positioned in relief camps in Sukkur district. Considering the need of shelter the Company will also provide 60 tents (shelter) for **500** people. Further that the organization has established an employee contributed fund for flood affectees which has reached to **Rs. 700,000** which will be spent on special feeding requirements of the children of the affected families.

2. Brookes Pakistan and SRSO in partnership agreed to distribute fodder for flood affected animals in Sukkur District.
3. Mr. Irfan Ahmed Shaikh a representative of Science Caravan introduced seven volunteers to SRSO. These volunteers will be working with SRSO relief teams working for the flood affectees as per requirement.
4. SRSO is planning to distribute **5,000** female dresses from its own resources in the flood affectees on the eve of Eid ul fitr. The material for the same has been purchased and handed over for stitching to the female community workers which were trained in VTECs during vocational skills development package under Union Council Based Poverty Reduction Programme funded by government of Sindh in shikarpur and Kashmore Kandhkot districts. In addition to this 350 dresses have been distributed in district Khairpur and Sukkur relief camps.
5. We are thank full to Mr. Humayun who has extended his support and distributed 250 utensils kits for the flood affectees and shown interest in the further assistance.
6. Federal Minister Mr Fazul Shah Jelani held a meeting SRSO Ranipur team and got the information regarding ration distribution and then visited the IDPs camps at Ranipur.

C. OTHER NEWS

SRSO management is in close coordination with District Coordination Officers, senior army officials and updates them on a regular basis. There is collaboration with Sindh Police and Pakistan Rangers for safe distribution and to avoid chaos and any mismanagement in the relief camps.

SRSO and PDMA are in close coordination where daily updates and day to day situations are discussed.

Education Coordination cluster meeting was held at EDO Sukkur office. Meeting was chaired by EDO (Edu.) and Co-Chaired by UNICEFF representatives. It was decided that cluster meeting will conducted on regular basis at District office and there should be a schedule of meeting with all EDO (Edu.) of flood affected districts. All the NGOs agreed to conduct meeting with EDOs in respective Districts. They also visited the School in Box at army relief camp Sukkur.

C. ISSUES AND CONCERNS

- ❖ Cases have been reported from different areas of Malaria , gastro and intestinal diseases that have created an alarming situation
- ❖ Damages of infrastructure including roads, schools, hospitals, communication installations.
- ❖ More displacements due to new breaches in the Protection Band and distributaries like Beggary Canal affecting District Shehdadkot.
- ❖ Qubo-saeed, Meero Khan, qamber and Shehdadkot town under threat of being inundated.
