Executive summary

Torrential monsoon rain has triggered massive floods that have moved steadily from north to south Pakistan over the past month engulfing the one fifth of the volatile country and affecting 17 millions of its 167 million people. Sindh is the worst- affected province with 19 out of 23 districts ravaged as flood waters swell the ranging Indus River to 40 times of its usual volume. The region's worst flooding has displaced **1.90** million people in the operational area of SRSO (i.e. Kashmore, Shikarpur, Jacobabad, Ghotki, Sukkur, Larkana, Jacobabad, Khairpur and N'Feroze) the livestock affected in this disaster is **1.567** million animals, the basic source of income and main asset of the affectees. Half of the population affected is children and vast majority displaced from their homes and villages are struggling to find secure shelter on a water- and mud-choked landscape.

Standing on the edges of the floods, the scale of the damage is evident. The water has torn miles-long breaches atop two of the main canals in Sindh Province, where tens of thousands of people were evacuated. Until the gaps can be repaired, water will continue flooding districts along the right bank of the Indus.

Widespread water contamination is causing outbreaks of hepatitis as well as respiratory, gastrointestinal, skin, and other diseases taking lives of the people in camps and shortage of food, safe water and other basics is creating chaos, food riots and desperation among the affectees and steadily worsening.

The humanitarian aid agencies are trying their level best to address the needs of affectees and measuring its scale and scope. Despite of the mobilization of all the agencies, the reach out of the affected people has become a gigantic task.

The scale of the disaster has been so huge that it will take years to recover the nation. Initially the work is being carried on for the relief of the affectees in order to provide them basics like food, clean water, shelter, hygiene & sanitation work, education and health. The livestock affected has still been the most neglected element by the relief work agencies.

The resources required in the terms of funds, aid workers, volunteers, relief material (FIs and NFIs) have become scarce or lesser in volume as compared to the scale of the disaster. Having said all this, the new opportunity is behind to this disaster, which is to mobilize people to be calm and peaceful. SRSO in its operational area feels itself committed to the community it represents or the Sindh does not afford to have food riots, conflict, and lawlessness. We all have to work together to serve 5 million people and more 15 million livestock.

Daily Flood Relief Report August 31st, 2010

In the situation, the nation has fallen in, SRSO Chairman Shoaib Sultan Khan; the members of the Board and management along with all the team members are committed and are working round the clock to contribute in order to lessen the effects of flood.

Daily Flood Relief Report August 31st, 2010

SRSO stepped in relief activities in its operational area (9 districts) from August 09, 2010. We have been using all the available organizational resources including. We have been working in close coordination with the local, district and provincial governments. We are obtaining government security wherever needed for the safe distribution, staff and donors' security. We have used Army helicopters (arranged by relief commissioner and WFP) for distribution in Jacobabad and other areas where the road communication was cut due to inundation.

SRSO has been responding to the situation along with the relief work as a facilitator and coordinator for UN agencies and providing information to different humanitarian aid agencies through its emergency cell set up in Sukkur.

Since the relief work has got the real momentum there is still an acute shortage of food, shelter, sanitation, clean water and health and hygiene material. SRSO is also focusing on the hygiene issues by mobilizing the IDPs (90% of them are from organized Community and are members of Cos and VOs) and organize themselves to be a disciplined recipients of the relief goods. Also the efforts are being put to generate more resources to fulfill the vast emerging needs. WFP, UNICEF, GOAL Ireland, PPAF, Engro Foundation, OMV Pakistan, Relief Department Government of Sindh, USAID through RSPN, Jahangir Siddiqui (JS) Group and individuals such as Aniq Sultan, Mr. Adeel, Software Industries Karachi and many more have been continuing support to SRSO for this relief programme. SRSO urgently needs more resources, which are expected to come.

As of August 30, 2010, SRSO has provided cooked food to **419,674** individuals (funded by SRSO, Engro & GoS) and dry ration to **310,044** individuals (**44,299** families) funded by WFP, District Government Khairpur and Engro Foundation. The total number of animals provided treatment and fodder is **84,106** and **14,806** respectively, the total quantity of fodder distribution is 106.2 MTs.

Besides this, SRSO is also working on provisions for safe drinking water through tankers and installations of critical infrastructure. (i.e. hand pumps, pit latrines and shelters) at relief camps. For safe drinking water and sanitation SRSO has installed so far **181** hand pumps and **541** latrines in district Khairpur, Kashmore-Kandhkot and Sukkur relief camps established by the District Governments in collaboration with UNICEF, PPAF/ENGRO and from its own resources.

SRSO has been operating with the support of PPHI “mobile medical camps” where the number of patients treated till date is **209,428 (OPD)**. PPHI is working through its established medical camps on every point of the flood area with the qualified doctors and other support staff and sufficient stock of medicines.

SRSO has facilitated **196** patients of different diseases by the **Sehat Salamt Card** in panel hospitals duly recognized by the Adamjee Insurance Company limited. These flood affectees are the members of Cos and VOs formed under **UCBPRP** programme funded by **Government of Sindh**.

SRSO through female staff members is conducting health & hygiene sessions with the affected communities in the relief camps of Sukkur.

The flood has severely affected livestock along with human beings; therefore, SRSO started supporting livestock from its own resources. It has started providing vaccination, treatment, de-worming, and fodder.

SRSO has signed LFA on August 10, 2010 (one month plan) with WFP for the distribution of **2,432.142** MTs food items (wheat flour, oil, and High energy biscuits) under “food for flood affectees’ programme” to **42,857** households in the **five districts** and up to August 31st 2010 we have distributed to **37,876** households.

The WFP and SRSO have also approved the proposal of food supply for 10,000 households for district Larkana. The third proposal of 31,000 families’ food facility provision is under consideration for 5,600 Metric tonnages of food items. (wheat flour, edible oil and HEBs).

Daily Flood Relief Report August 31st, 2010

SRSO in partnership with the PPAF and Engro Foundation has provided Rashaan, hygiene kits, hand pumps and CLTS for **2,000** household and fodder for 10,000 animals. The distribution of food items, hygiene kits and installation of the hand pumps and CLTS has been completed and fodder for 5,000 animals (50%) has been distributed till date.

A project of UNICEF “WASH for flood affectees” has been started where Latrines, Hand Pumps and **1,800** Hygiene kits have been provided and sessions of the affected communities are being conducted in order to aware them regarding health and hygiene issues in Khairpur, kashmore and Shikarpur districts.

Table 1: Resource Mobilization

S.No	Source of funds/donor	Amount committed in Rs Millions	Activities
1.	Sindh Rural Support Org (SRSO) own resources	20.00	Food, water, sanitation & livestock fodder, logistic,
2.	World Food Programme (2432.142 MT food commodities including wheat flour, oil, and High Energy biscuits valuing around Rs,110 million) and cash support	5.20 M 110 (in kind)	42000 families support each family pack is: 50kg what flour, 4.5 kg oil, 2.25kg of HEB in five districts.
3.	PPAF and Engro Foundation	20.0 M	One month dry ration for 2000 families Food, clean water, sanitation, shelter & livestock medicine and fodder for 5000 animals in Ghotki cluster
4.	Engro Foundation Cooked Food	In Kind	Supply of Cooked Food
5.	Relief department Government of Sindh	11.00 M	Supply of Cooked Food to 39,000 individuals two times a day for 6 days.
6.	UNICEF- WASH (cash and Material)	1.68 M	Supply of water and sanitation facilities in camps
7.	Jahangir Siddiqui Foundation	1.2 M	Water, food, and dry RATION
8.	USAID (RSPN)	39.688 M	Dry Food and Kitchen sets for 7500 families
9.	OMV Pakistan	11.00 M	Food and Shelter
10.	Goal Ireland	Euro 0.5 million (Rs.56 M)	The GOAL has principally agreed to pick up the cost of relief activities, which were not funded by any other donor, provision of Food packs, WASH activities, and NFI. The draft MoU indicates incremental support in subsequent period.
11.	Individuals (different)	2 M (cash and In kind)	NFI, Food, shelters, medicine, etc.

Daily Flood Relief Report August 31st, 2010

12	WFP (Larakana food support for 10,000 families – package include 80 kg flour, 4.5 oil, 4.5 HEB, and 1.5 KG RUF.	4.391M and 35.M in Kind	The food is moving to Larkana and is being distributed in Larkana city.
13	Software Industries Karachi	In kind (Rs.700,000)	Essential kitchen sets for 700 families
14	GOAL Ireland	Euro 100,000 cash and 400,000 in kind (total Rs.56 M)	Shelter, food, fodder, water and sanitation.
15	Dr. Khan Bullo	0.020 Million	Cash
16	Total	315.859 M	Besides this valued support the material from UNCHR, UNICEF, and other Donors have handed over to SRSO will be calculated soon.

A. SRSO flood relief project progress

WFP food for flood affectees

This program is planned to supply 42,857 household with food for thirty days comprising wheat and cooking oil (50kg 4.5 kg respectively) per household. Flood affectees of the five districts in the camps registered with the District Government are being provided the relief package. The distribution is being made according to the approved plan from World Food Program (WFP).

Distribution summary (District wise):

UNICEF- SRSO Flood Relief Project

“WASH” water and sanitation

SRSO with the support of UNICEF is executing the WASH project for flood affectees in the relief camps of Kashmore, Khairpur and Sukkur districts. This project aims to provide awareness in the IDPs regarding health and sanitation issues. In this project UNICEF providing Jeri can and hygiene kits containing (tooth powder, cotton, sanitary pad, soap and detergent soap). Personal Hygiene, hand wash, use of latrine and use of soap is focused in health and hygiene session.

Cooked Food distribution (Sindh Government)

This food is being distributed under an MoU signed between the SRSO and Relief Commissioner upon commitment the Government will fund the programme to the tune of Rs.11.00 Million and SRSO will provided two time cooked food to the IDPs in the three districts Sukkur (25,000), Kashmore-Kandhkot (6,000) and Shikarpur (8,000) for six days in the IDPs camps established by each district governments. However the number of IDPs in Sukkur is increasing due to consistent supply of food, hence the SRSO management has decided to supply food to all the people available in the camps without demanding further funds from the government or limiting the supply to the numbers provided by the district government. For Sukkur the distribution is executed by NIRM staff with the support of SRSO.

District Government Khairpur has also provided food items to SRSO for the flood affectees. The package consists of: (Sugar 1kg Tea 100gm, Dall 1 kg, Salt 1 kg, Channa 1 kg, Rice 2 Kgs, Bath Soap 02, Detergent soap 02)

Daily Flood Relief Report August 31st, 2010

SRSO Relief Operation

SRSO cooked food support (Funded by GOAL Ireland)

This drive is the supply of cooked food to families which are in camps in SRSO's operational area of nine districts and the basic aim of the drive is to provide food to those who are in remote camps and where government support, other relief work agencies or philanthropists has not yet reached. Affected families are assessed and provided a food token and then food supplies the following day. The contents of the supplies are 1 Kg cooked rice and 15 liter water per household.

SRSO Clean Camps Campaign:

SRSO has started through its senior female staff “**the clean camp campaign**” and initially two camps (Government Comprehensive School & Govt. Degree college sukkur accommodating 546 IDPS) have been brought into this program where cleaning material will be provided by SRSO and hygiene sessions are being conducted to make the camp environment conducive and free of diseases. This campaign is aimed to be extended in the whole district. This activity will enable to develop the linkages of the IDP with the government departments such as health and civic services.

Pakistan Software Industry:

SRSO is thankful to Pakistan Software Industry who provided the Utensils for 250 flood affected families and commitment for other 750 families. SRSO appreciates their commitment for flood affected people. SRSO Team has distributed these utensils in 3 camps at Khairpur district

Daily Flood Relief Report August 31st, 2010

providing benefit 47 families. Pakistan Software Industry has also provided two pedestal fans in relief camps at Khairpur district.

B. OTHER PROJECTS

1. OMV Pakistan feeling the corporate social responsibility has joined the hands with SRSO to help out the flood affected people in Khairpur and Sukkur and initially has allocated **Rs. 11 Million** for the relief work. OMV will provide Food for two thousand families that covers around **14,000** people currently positioned in relief camps in Sukkur district. Considering the need of shelter the Company will also provide 60 tents (shelter) for **500** people. Further that the organization has established an employee contributed fund for flood affectees which has reached to **Rs. 700,000** which will be spent on special feeding requirements of the children of the affected families.
2. Brookes Pakistan and SRSO in partnership agreed to distribute fodder for flood affected animals in Sukkur District.
3. Mr. Irfan Ahmed Shaikh a representative of Science Caravan inducted seven volunteers and a cargo vehicle to SRSO for relief work.
4. SRSO is planning to distribute **5,000** female dresses from its own resources in the flood affectees on the eve of Eid ul fitr. The material for the same has been purchased and handed over for stitching to the female community workers which were trained in VTECs during vocational skills development package under Union Council Based Poverty Reduction Programme funded by government of Sindh in Shikarpur and Kashmore Kandhkot districts. In addition to this 350 dresses have been distributed in district Khairpur and Sukkur relief camps.
5. We are thank full to Mr. Humayun who has extended his support for the flood affectees and distributed 250 utensils kits and his shown interest in the further assistance.
6. Federal Minister Mr Fazul Shah Jelani held a meeting SRSO Ranipur team appreciated the work done by the SRSO for the flood affectees in Ranipur.

C. OTHER NEWS

SRSO and PDMA are in close coordination where daily updates and day to day situations are discussed.

SRSO has been hosting cluster meetings of the Donors and implementation partners and monitoring agencies on daily basis where upcoming situations, issues are discussed and planning is being made to handle horrible situation after flood.

SRSO has held a meeting with Planning and Development department for installation of Water Filtration Plants for flood affected. These water filtration plants are portable on vehicle where there is less number of affectees and install where huge numbers of flood affectees are settled in relief camp. The water filtration plant will benefit a population of about 10,000 per day.

SRSO GOAL Ireland-Emergency response:

SRSO has recently signed an agreement with GOAL Ireland and the project is aimed to provide food, shelter, safe drinking water, sanitation and fodder & vaccination for livestock for the flood affectees in the worst hit districts in SRSO operational area i.e. (Kashmore-kandhkot, Shikarpur, and Larkana & Shehdadkot). The MoU of the project has been signed and the proposed completion period is two months. The relief material has been procured by the funding partner and distribution will be done by the SRSO (IP). The relief material is expected to be delivered soon.

Mr. Ali Jamil has assured his continued support for flood affectees and also donated Rs. 8.00 million.

Food Distribution on August 30, 2010 at Government Degree Collage Sukkur was visited by the delegation from CNN and BBC along with Mr. Nisar Ahmed Ptahan (Operational Manager) Emergency Unit SRSO.

UNICEF team visited the school inbox and shared their views with the children from the flood affected families present in the scholl.

D. ISSUES AND CONCERNS

- ❖ Outbreak of diseases like gastro and malaria etc.
- ❖ Damages to infrastructure including roads, schools, hospitals, communication installations which has made the relief operation much difficult.
- ❖ Increased security risk.
- ❖ Huge volume of IDPs.
