Key SRSO Interventions

The SRSO Board of Directors Mr. Aazar Ayaz, Mr. Ghulam Mustafa Abro, and Mr. Muhammad Rafique Burirro visit SRSO Interventions

Mirpurkhas, Sanghar, Umerkot, Badin & Thatta / August 25-28, 2023

The SRSO Board of Directors Mr. Aazar Ayaz, Mr. Ghulam Mustafa Abro, and Mr. Muhammad Rafique Burirro, along with CEO Mr. Muhammad Dittal Kalhoro, and RGM Mr. Ghulam Rasool Samejo, visited Mirpurkhas, Sanghar, Umerkot, Badin & Thatta districts. The main purpose of their visit was to observe the impact of SRSO's interventions, particularly GoS funded PPRP project. During their visit, they engaged with women leaders from SRSO-fostered community institutions, and beneficiaries of IGG, CIF, LCH, EDF, and VTP, and entrepreneurs from supported business development groups.

Community members highlighted the positive changes brought by the collaborative efforts of the SRSO and GoS-funded project by utilizing skills and knowledge. They also discussed the best practices and achievements, including savings initiatives and self-initiatives taken during challenging times like the COVID-19 pandemic and floods 2022, aimed at financial resilience and recovery. The visit provided valuable insights of the impact of the program.

A Way to Self-Reliance-Brief Success Stories

Meet Samira, a Community Resource Person (CRP) working in village Jan Mohammad Lighari, district Kamber-Shahdaktot, Sindh

Samira w/o Sabir Hussain, is a mother of five children, with three boys and two girls. Four of her school-going-aged children attend school as well. She is the 2nd group of women Community Resource Persons (CRPs) from the village Jan Muhammad UC Misri Khan, district Kamber-Shahdaktot, Sindh who were selected and engaged in 2022 for selling and marketing nutrition and hygiene products and services to rural women under the BEP (Balanced Energy Protein) Project funded by the Bill & Melinda Gates Foundation and implemented by Sindh Rural Support Organization (SRSO) in partnership with RSPN and Hystra Paris. She visits 20 to 25 households daily in their assigned area to sell products to women to improve their health, nutrition, and hygiene. Now, Samira's monthly income is between 10,000 to 11,000 thousand, which she primarily uses for her children's education and health.

Samira works in the field for the well-being of women as part of the BEP Project, which has given her a mobile phone and training on data punching. This has allowed her to punch her sales data herself on an app and generate income. Samira's work is a source of inspiration for women in rural areas, showing them that they too can run a business from their homes. "It was challenging for me and my family to decide to work on the project, but after they made the decision, I feel

proud to contribute to the family livelihood support and well-being of women of the own area," Samira says with confidence.

Samira's story highlights the impact of empowering women with skills and technology in rural areas. By providing access and knowledge, women like her can become self-sufficient and contribute to their family's well-being. It is crucial to continue supporting programs like the BEP project to help more women like Samira achieve economic independence.

A diminutive life story of Masmat Saleemat after receiving an asset from IFAD-NPGP through the SRSO in district Shikarpur, Sindh

Ms. Saleemat, a beneficiary of the NPGP program and resident of Waryam Shar village district Shikarpur, is a mother of seven children who has been struggling to meet the basic needs of her family. She expressed her difficulties, saying, "I didn't have any resources for living life, therefore I could not care for myself and other family members." Additionally, she revealed that she is suffering from a fatal disease, hepatitis B, and their home was severely damaged during the monsoon rains, resulting in the death of their cattle. As a result, her entire family was left homeless and without any support, leading them to feel hopeless.

However, the situation took a positive turn when the IFAD program arrived in their village, bringing a great blessing from God. Ms. Saleemat's name was identified and selected to receive a productive asset to support her livelihood and enable her to graduate from poverty on a sustainable basis.

"With the assistance of the program, my son now drives the asset, a Fatta rakhsawa, and earns Rs. 500 to 700 daily, which is enough to sustain their livelihood. We also started saving money, moving closer to a successful life." Ms. Saleemat spoke with confidence and a smile and expressed her gratitude for the opportunities provided by the NPGP-IFAD-MOPASS and SRSOs.
